

# MSE Extends 100% Warranty on All Products

**VAN NUYS, CA** – Micro Solutions Enterprises (MSE) leads the industry in toner quality and proves once again that they lead in innovation by extending the warranties on all imaging products. As of January 1, 2007, all MSE products have a full, two-year warranty from the date of manufacture. Additionally, all MSE Brand toner cartridges are covered for an extra year, bringing them up to a full, three-year warranty from the date of manufacture.

Now, more than ever, it pays to be an MSE Brand dealer! This extended warranty adds another benefit to selling MSE Brand over any generic brand.

MSE manufactures and distributes a full line of compatible toner cartridges, MICR toner cartridges, inkjets and thermal transfer ribbons. MSE's

manufacturing capacity now exceeds 300,000 toners and 500,000 inkjet cartridges per month. MSE owns and operates more than 253,000 square feet of space at its facilities in California and Pennsylvania as well as additional distribution facilities in Mexico, Canada, Holland and Brazil.

The company offers full solutions for outsourcing, private labeling, private packaging and blind drop shipping. MSE also offers a suite of high-end marketing tools and extensive product and sales training.
