The Hall of Fame will recognize those industry members who have “built their businesses into industry powerhouses, which then create a positive image of the industry through leadership and/or example.” The ceremony will take place as part of the annual Readers Choice Awards celebration on August 19, 2008.

“We are deeply honored to receive this prestigious award.” said Avi Wazana, CEO. “From our inception, our goal was to provide the highest quality products and to compete with the OEMs. In addition, we have always been committed to helping our dealers grow by providing them the tools and resources to succeed. This award exemplifies our relentless commitment to our industry and again, we are proud to receive it. Thank you.”

“I look forward to personally congratulating each of these extraordinary people on their success in and contribution to our industry,” said Recharger Group Publisher Adam Schaffer. “Choosing this initial group took a great deal of thought on our part, and we have a group that well represents the best this industry has to offer, from quality contributions to legislative work.
